About This Game

In Launch Party, you and your teammates are armed only with a manual to instruct you in your task of launching rockets. Work together to enter codes, push buttons, flick switches and turn knobs in order to win the game.

Features

- 15+ unique puzzles and various targets within each puzzle.
- Dynamically generated missions and targets provide a diverse range of launches.
- Missions of varying difficulty to suit the number of players and level of challenge.
- Only one person in the team needs to buy the game in order to play as a group. The other players can access the manual for free.
